**UPDATE OF LEGAL SUIT WITH SEMBCORP MARINE LTD**

---

The Board of Directors of Baker Technology Limited (the "**Company**") refers to the legal suit between Sembcorp Marine Ltd and PPL Holdings Pte Ltd ("**PPLH**") and E-Interface Holdings Limited, in which PPL Shipyard Pte Ltd ("**PPL Shipyard**") is also a party as second defendant to counterclaim.

The Company wishes to inform that the High Court of the Republic of Singapore had on 1 October 2010 clarified in Suit No. 351 of 2010, that PPL Shipyard could, for the time being, treat Mr Anthony Sabastian Aurol as not being a director or an executive of PPL Shipyard and Mr Aurol would cease, for the time being, to act as a director or an executive of PPL Shipyard, pending the hearing of Suit No. 351 of 2010.

The Company was informed by Mr Aurol that following the clarification, he has voluntarily taken immediate leave of absence from office (both as director and executive director of PPL Shipyard) pending the hearing of Suit No. 351 of 2010 and this is without prejudice to PPLH's and his position that his removal as a director and termination as an executive were invalid, which issue is to be determined at the trial of Suit No. 351 of 2010.

PPLH holds the position that Mr Aurol has not been validly removed as a director of PPL Shipyard. The validity of the alleged removal of Mr Aurol as a director and the alleged consequent termination of his employment as an executive director of PPL Shipyard will be determined at the trial of Suit No. 351 of 2010.

The Company will keep shareholders apprised of any material developments, where appropriate.
