**PROFIT GUIDANCE FOR THE GROUP'S UNAUDITED FINANCIAL RESULTS FOR THE
FINANCIAL YEAR ENDING 31 DECEMBER 2025**

The Board of Directors (the "Board") of Baker Technology Limited (the "Company" and together with its subsidiaries, the "Group") wishes to announce that based on a preliminary review of the unaudited management accounts and information of the Group currently available to the Board, the Group is expected to report a net loss after tax for full year ending 31 December 2025 ("12M2025"), as compared with the net profit after tax recorded for the corresponding period ended 31 December 2024.

The anticipated net loss after tax for 12M2025 is attributable to lower revenue and foreign exchange losses arising from the weakening of US Dollar against Singapore Dollar.

The Company is still in the process of finalising the Group's unaudited financial results for 12M2025. Details of the Group's financial performance will be disclosed when the Company announces its financial results 12M2025, which is scheduled to be released on or before 1 March 2026.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company. In the event of any doubt, they should consult their stockbrokers, bankers, solicitors, accountants or other professional advisors.
